Heating & Air

Want HVAC solutions  
without the fluff? You're  
in the right place.

# Services

HVAC Services, heating, air conditioning,  
boiler, air quality solutions

Being upfront and honest is important. At Jack Kiefer Heating & Air, we live up to that philosophy every day—and it's how we were able to help our customers in the Greater Fox Cities for years now. If you're looking for ac repair in Neenah WI, then you'll be glad to know that we offer genuine advice about your HVAC repair, installation, and maintenance needs. We want you to have the best solution for your home or business whether it's a boiler or an air conditioner. We take pride in giving you the best advice possible so that you can be comfortable all year long! We're straightforward and fair, and make your best intentions our priority. Our expert technicians bring you the heating, air conditioning, and boiler solutions that best fit you and your budget. If you are still on the fence about calling us, perhaps our customers will convince you.
