

# WHO WE ARE

## ▶ ABOUT US

Make your local GMB location management superficial and straightforward by choosing **Local Viking**. If you're a business owner and looking for reliable **GMB software** management to increase your business, then Local Viking is the spot where you can find all the GMB solutions under one roof. Local Viking's highly skilled team is familiar with all the market tactics and knows how to change the game in your favor by boosting your rankings. Whether you own one property or a hundred GMB properties, by choosing Local Viking you can manage all of your GMB properties under one dashboard without any intricacies. The dashboard created by our specialist is manageable, and there are no account limits or post limits set in, which means that now you can manage as many google accounts as you want under one dashboard! Call Local Viking now or visit our website, and our customer service representative will be glad to assist you!
