We know how to make **our** work sell **yours**. As marketing has changed, we've changed with it. We need to keep coming up with new and exciting ways to use FiBi directory listings to reach mobile customers.

We take YOUR information and use it in today's "mobile local business search" to help make sure – it works for you.

We can help you take your business to the next level if you want to take advantage of the m-commerce marketing trend.

We create a dynamic listing for the fast-growing "m-commerce" consumer market by combining your images, logo, and text.

'Walmart expects m-commerce sales to grow in the United States,' according to the company. S. to reach \$34.5 billion by 2016, it expects “**mobile-influenced offline sales**” in that time frame to reach more than \$700 billion.'

Local searches on directories account for half of all local searches. (AT&T Small Business Technology Poll).

Is YOUR company listed in FiBi? If so, claim it and let us create a design for you.

Advantage Marketing works tirelessly to provide your clients with fresh, high-quality design that will inspire and energize them.

We want our clients to succeed in their business endeavors, so we go above and beyond. By leveraging our experience, dedication and commitment, we are able to create powerful listing marketing messages to help your business reach this lucrative and fast growing market.
