Alpharetta, Georgia is home to Akers Academy. We're more than a daycare or a preschool. Our teachers at Akers Academy are dedicated, certified, and caring individuals who will do everything possible to provide your child with every advantage possible. We have programs for infants to pre-kindergarteners, all of which are tailored to your child's specific needs. Come and visit Akers Academy today!

Our proven, early learning curriculum helps build a strong foundation of self-confidence and academic excellence for your child's future. From the time they are babies through their Pre K years, our proven, early learning curriculum helps build a strong foundation of self-confidence and academic excellence for your child's future.
