Chi Town Sparky provides electrical services in St. Charles, Illinois, and surrounding areas. We provide a full range of electrical services for both residential and commercial properties. Our qualified electricians are licensed, bonded, and insured to provide you with the best possible service in your area. We carry all the necessary tools to complete any job from beginning to end. We offer free on-site estimates and we can usually get started within one day after receiving your written request. Our professional, courteous staff will answer any questions you may have about your project or repair needs. Our staff is friendly and knowledgeable of the products we sell, so no matter what your needs are, we can help you find the right product for you at an affordable price. Need an emergency repair? We have you covered! Call us anytime or complete our online request form to get in touch with us.
