Looking for **roofing companies near me**? **Colony Roofers** is a locally owned and operated roofing company that serves the entire state of Georgia. We are licensed, insured, and bonded. Our team is dedicated to providing Atlanta homeowners with a hassle-free roofing experience. Whether you're looking for a new roof, need repairs or simply want an estimate, we will provide you with professional advice on your options so you can make the best decision for your family's needs. Our goal is to help you make an educated decision on what type of roofing system will best meet your needs by providing you with information that is easy to understand. Our team of experienced professionals has many years of combined experience in the roofing industry. Our core values are what drive our team to provide metro Atlanta homeowners and commercial property owners with a hassle-free roofing experience. We stand behind our work 100%. If you aren't happy with our service for any reason we will make it right!
