QC Kinetix (Gladstone) is a medical practice dedicated to satisfying the needs of our patients. Our multidisciplinary treatment team is committed to providing you with the proper diagnosis and treatment options available. We can help you get back in the game of life by avoiding pain, surgery, or expensive drugs, so you can get back to what's important. If you suffer from a sports injury, joint pain from arthritis, or pain from overdoing it around the house, you don't have to resign yourself to a lifetime of medication and ice packs. Regenerative Medicine is quickly becoming one of the most sought-after treatment options for those looking to eliminate pain from common injuries and conditions. QC Kinetix (Gladstone) offers regenerative medicine near Gladstone biologic treatments for all kinds of joint conditions that cause pain. These treatments offer a perfect alternative to knee surgery, hip surgery, and other painful and invasive orthopedic procedures. If your joints are feeling sore, inflamed, and stiff, or if you have an injury that's not healing properly, call our office today to schedule a consultation.
