lgbsentinel@gmail.com

It's a Community Newspaper Serving the community and the world. We have established our Community Nest Foundation, a non-profit organization addressing the complex issues concerning the at-risk, disenfranchised, and homeless individuals.

We have sponsored events such as San Francisco, Los Angeles and Las Vegas Pride, AIDS Walk LA, Outfest, and RuPaul's Dragcon. All causes are important to us and we will continue to seek out partnerships with companies that mirror our values.

For more Details Check our Website [www.thelgbtsentinel.com](http://www.thelgbtsentinel.com) and You can also call us: (323) 739-5649
